

Windsor Endowment
FOR THE ARTS

CHANGING THE ODDS PATHWAY TO LITERACY FOR KIDS

A FIVE-YEAR COMMITMENT

Windsor Endowment for the Arts (WEA) is excited to announce a five-year partnership with the Greater Essex County District School Board (GECDSB) and Arts Can Teach to support literacy for thousands of Windsor-Essex children in need.

Our goal is to
raise at least
\$100,000
over five years

Our goal is to raise at least \$100,000 over five years to provide high-calibre arts-based learning support for English Language Learners in Kindergarten and for non-Arts school subjects (STEAM) in Grades 1 – 8.

Changing the Odds Pathway to Literacy for Kids will support schools in Windsor's downtown core, west Windsor and Leamington - schools with high numbers of young English language learners in regions with high levels of child poverty.

Every year is important for our kids. Our goal is to build a strong financial foundation to reach more kids and more schools each year.
